WALLACE CENTER AT WINROCK INTERNATIONAL

MISSION AND GOALS

The Wallace Center develops partnerships, pilots new ideas, and advances solutions to strengthen communities through resilient farming and food systems.

- More economically viable and environmentally sound small and mid-size farm and food businesses
- Greater community economic development driven by food and farm businesses in rural and urban communities
- Stronger leadership and more effective community based food and farming organizations

The Food Systems Leadership Network

A national **peer learning community** that

- **connects** current and emerging leaders
- **strengthens** individual and collective leadership capacity, and
- **fosters** collaboration across communities

To accelerate the realization of a **just, equitable** and **sustainable** food system that generates good food, health, and opportunity for all!

CONNECTING OUR REGIONAL NETWORK
SO THAT ALL MAY BE FED NOW.
COLLABORATING
TO BUILD A JUST,
DURABLE & RESILIENT FOOD
SYSTEM FOR ALL IN THE FUTURE.

Week 2: Healing Racism & Supremacy

The Welcome Table

Please join NAFSN!

We're a truly grassroots group of food systems professionals, volunteers, activists, academics, students, and others.

NAFSN is a resource for training opportunities, events, networking, and more. The time and expertise given by our members created and keep developing NAFSN.

Membership is \$60–\$90 and we have a *FREE* level for those doing good work without a lot of resources.
